Mike/Dave — Can you please take a look at the two relevant to Region 10? I have copied Jim in case he has an overview perspective to add on the Mid-Snake work, but he may not be around to pitch in. I need input by noon tomorrow, please.

Mr. Opalski and Ms. Price-Fay,

The attached were prepared (by the region?) for the Administrator's January confirmation hearings. We're being asked to update them, if needed, for upcoming Congressional hearings on the FY20 President's Budget. Please review and get back to me with any updates. Hopefully no updates are needed and this is a quick drill.

Thank you for your help.
